Hailie Nene Foundation Newsletter

Introduction

Hailie Nene Foundation is a privately owned company with its main objective being to help those less privileged. Established in 2013, it is now based at eMalahleni (Witbank)..

The main focus for the foundation is to concentrate mainly on individuals or groups where access to charity is minimal.

As a self-funded initiative, the foundation has yet to make a major impact in the broader community. Partners are welcome.

Our partners may include those willing to donate and those seeking donations. We strive to be open to all communities but also involved with religious communities. Our principle is based on the notion that even though we cannot help everybody, we believe that the few individuals we help will one day realize the broader impact of giving. As a farmer would know, you may plant one seed of corn and get from it 100's.

Most Recent Projects

On the 18th of September 2017, through the help of numerous kind hearts including a substantial donation by Four Arrows Investment 294 (Pty) Ltd., we donated 500 packs of Sanitary Pads to Coronation Secondary School in Witbank.

We would to thank the school's management for their warm welcome and also the reception from the recipients themselves was beyond excitement.
